A Note from a Bride :

Jennifer was so much fun to work with! She made my vision come to life. All of the photos we talked about she captured plus some! Would definitely hire again!

FAQs

Q: What makes your work different from other photographers' work?

A: We take in consideration all forms of light throughout the day as well as the must haves. We then take those ideas and create moments throughout the day using both natural and strob light. We love our custom night photos!

Q: Will we get the copyrights to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full copyright release.

Q: How many photographers will be there at our wedding?

A: This depends on your package. There will sometimes be an additional employee taking behind the scenes.

Q: Are you insured?

A: Yes, we carry insurance for our gear and have a limited liability coverage.

Q: How do we reserve our date?

A: Send us an email at jquinnphotos@gmail.com, and we can give you more information on this. A 30% deposit and signed contract is required in order to get your wedding day on the calendar. I do have a payment plan option with ending balance finished 30 days before your wedding.

Q: Do I have to order prints through you?

A: We highly recommend ordering prints through our professional vendors, but it is not required. The difference in quality is HUGE when it comes to ordering through a local printer and a professional lab, so we encourage clients to let us help with prints!

Q: What equipment do you use?

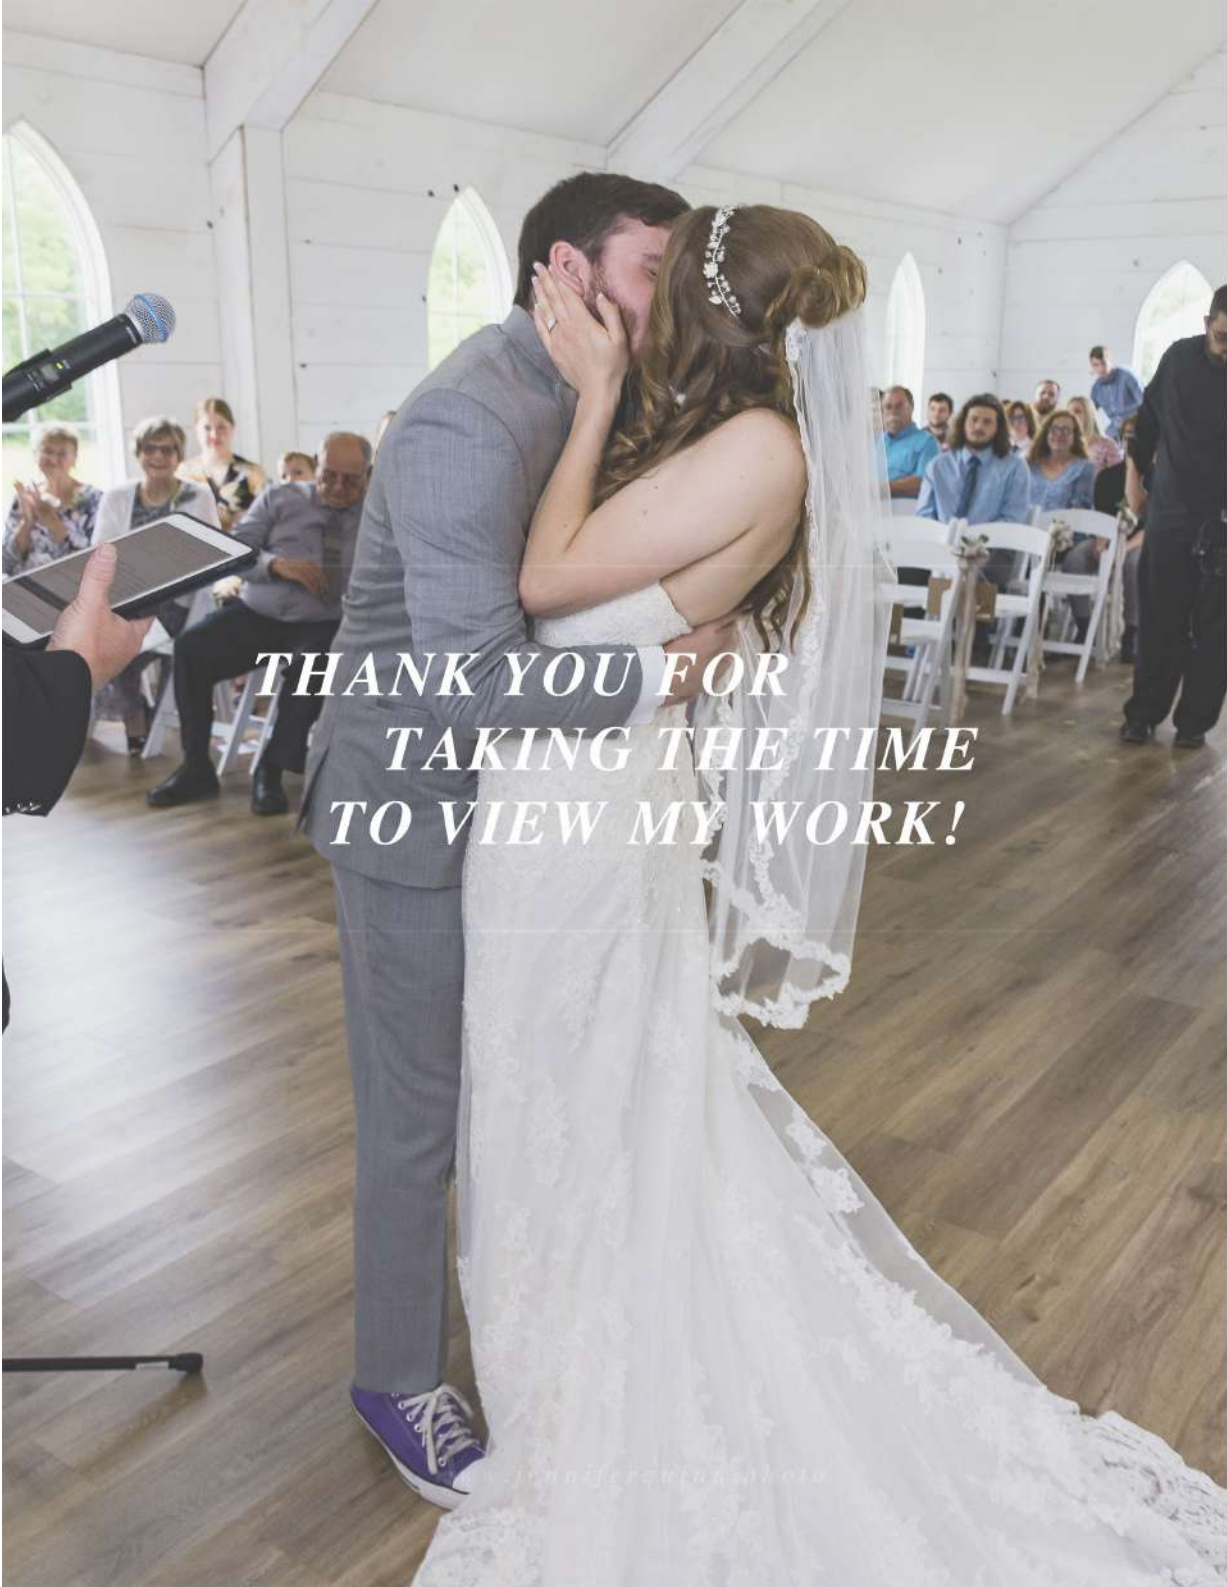

A: We combine several types of cameras from mirrorless, DSLR, and 35mm. We use many different light modifiers as well. All of our pieces have a backup in the rare event that anything should occur to one of our cameras or lenses.

Q: How do you help us prepare for the day?

A: Although we are not wedding planners...I do help take your photo must haves and ideas and help you create a timeline so that there is good flow and enough time to enjoy the moments. Rushed photos aren't fun.

Jennifer and her staff were fantastic! They were very creative and made sure we would have the best photos. They took extra time to set up a night time shoot and champagne spray! They went over every detail we wanted to capture. Everyone was very professional. We had the best time capturing our special day. I would highly recommend her for weddings!

Jennifer was great with communication leading up to the wedding. We enjoyed working with her wedding day as well. She was so kind and I cannot wait to get all the photos. The previews have been amazing.
