

# SAY 'I DO' CARNIVAL STYLE

**Onboard or ashore...Carnival makes fun and memorable happen every time.**

Imagine wedding photos with a blue sea-sky background or white-sand beach behind you and a gentle sea breeze in your hair, of course. The location is up you — your ideal wedding spot just may be aboard a Carnival ship, or perhaps on one of the scenic island destinations we sail to. Whichever you prefer, you'll have a wedding unlike any back home.

A Carnival cruise offers you a variety of dream wedding cruise packages including cruise ship weddings and destination weddings to make your special day truly unforgettable.
