The Wedding Testimonials

Emily & Lucas' Wedding: 1/4/2014

Not enough stars! There are not enough stars on this review that represent the experience we had at Wannamoisett Country Club. From the very first meeting we knew this would be the perfect venue for our special day. Planning with Julie and Ed was so easy and the communication was prompt and professional. When my husband and I walked through the doors on our wedding night we were astonished! The room was beautiful and romantic...Kimberly understood the look and feel I wanted and she executed it perfectly! She managed the entire evening and it ran so seamlessly. Isabelle was absolutely amazing and really made us feel comforted and important on our big day! Guests raved about the food which was cooked to perfection, served on time and hot! The staff at Wannamoisett are truly amazing professionals and know exactly how to create the perfect reception. I cannot imagine what our wedding would have been like had we not chosen Wannamoisett, they superseded my highest expectations.

Liz & Bryan's Wedding: 6/7/2014

Highly recommended!!!! From the first time we walked through those doors we knew Wannamoisett Country Club was the place we wanted to have our reception. All the staff were fantastic to work with and extremely helpful. They truly make you feel so important and work hard for you not to stress about a thing. On our wedding day everything was absolutely perfect, it could not have gone any better. The food was amazing!!! We have received so many compliments about our reception at WCC. Your wedding is the only wedding on that day there, which is great. I did not worry about one thing the day of my wedding, they took care of everything and it came out exactly how I envisioned. The pricing is very reasonable as well. We are truly impressed with the staff and the venue itself. We could not be happier that we went with WCC!!

Krista & John's Wedding: 9/27/2014

Perfect Venue! I would recommend this venue to any bride getting married. There is just too many amazing things to say about this place. When my husband and I went to look at it, we knew right away it was the place to get married. Julie, the manager was amazing to work with. The day of the wedding my husband and I had the assistants making sure we had everything we needed. Izzy, the event manager was also great to work with. The room was set up better than I ever could have imagined and our guests raved about the food, which I feel is important when you attend a wedding.
