- ADA-compliant venue access and ADA accessible facilities

**Please note: All Pandora's Manor events are subject to an additional 5% service charge.**

Want to know more? Here's the nitty-gritty:

### **3-Day Exclusive Access**

We provide 3-day venue rental for weddings: Pandora's Manor will be yours from 9am the day before your wedding to 11am the day after.

This means that you can set up from 9am the day before your wedding and take down until 11am the day after your wedding. You are also welcome to invite vendors, park vehicles, have your wedding rehearsal, and perform any other preparations during this time.

Your wedding will be our only wedding during this time. We never book multiple weddings in any 3-day period, so your big day will have our full attention.

Guest rooms will not be available to the public on the night of your wedding. You, your guests, and staff will have exclusive access to Pandora's Manor on your big day.

Your wedding can take place anywhere (and everywhere) on our premises with the exclusion of guest rooms. As exclusive occupants of our space, you will be free to use our ground floor rooms, porch, front lawn, back garden, fountain, and all other common areas.

**During your rental period, you are welcome to:**

- Park vehicles in our parking lot
- Set up and take down
- Invite vendors
- Have wedding rehearsal
- Check in and out of Bridal Suite
- Conduct any other preparations

### **Luxury Accommodation Included**

A night in our luxurious Bridal Suite is included on the night of your wedding. The suite includes a bedroom, en-suite bathroom, and living area. The Bridal Suite living area will also serve as the bride's make-up and changing room on the wedding day. Other rooms are available to book at 60% discount.

### **We Help You Prepare**

Our designated Wedding Coordinator is here to help you! Wedding consultation is included in this package; she will meet with you to discuss your requirements, give advice on local vendors, and help make your day absolutely perfect. She will also work with you to create a bad-weather plan.

Wedding rehearsals are welcome the day before the wedding. Since you will have access to Pandora's Manor from 9am, no additional fees are required.

**Safety during COVID-19:**

- All staff are required to wear masks and implement the latest safety precautions
- We have updated our catering and bar options accordingly
- Our staff will thoroughly clean and disinfect all areas after each event
- Our outdoor space is open with limited capacity, accommodating up to 200. Capacity may vary in accordance with COVID-19 safety regulations set by the state of North Carolina

Pandora's Manor is dedicated to the safety of our guests and staff. Please contact us at [main@pandorasmanor.com](mailto:main@pandorasmanor.com) if you have any questions.
