Meet Monique

Hello there! I am Monique, a connoisseur of timeless moments, a devoted mother, a loving wife, and your personal storyteller. My world revolves around the enchanting narrative of my family—my cherished husband and three wonderful boys. Together, we indulge in the luxury of exploring new destinations and embarking on exhilarating adventures.

Among the treasures of my travel escapades, Europe holds a special place in my heart. The opulence of Switzerland, the cultural richness of Germany, and the romantic allure of Italy have left an indelible mark on my soul.

My journey into the realm of photography unfolded serendipitously, blossoming from the simplicity of a point-and-shoot camera. Initially capturing toddlers and the warmth of family bonds, my lens gradually ascended to immortalize the magic of engagements and weddings.

Photography, to me, is an art form with the extraordinary ability to suspend fleeting moments in time, encapsulating love in its untamed and marvelous expressions. I am a firm believer in inspiring others to embrace their uniqueness and share the captivating chapters of their lives through the visual poetry of photography. Join me on this exquisite journey of storytelling and self-discovery.

Meet Michael

Greetings! I am Michael, not merely a camera man but a curator of timeless moments on your special day. As a devoted husband and father to three spirited boys, I find immense joy in the art of family and the sanctity of fatherhood.

Beyond my familial roles, I am an aficionado of craftsmanship, deeply engrossed in intricate home projects as an ardent "do-it-yourselfer." This passion for creation extends into my work as your wedding cinematographer.

Collaborating with my wife, I discovered a profound appreciation for the artistic nuances, emotions, and enduring allure of film. Through the lens of my camera, I have meticulously captured the essence of numerous weddings, cultivating a style that resonates with timelessness, catering to the unique narratives of all couples.

My approach amalgamates the authenticity derived from collaborating with my wife in photography with the cinematic emotiveness synonymous with professional filmmaking. The result is an offering of the most genuine and timeless rendition of your special day.

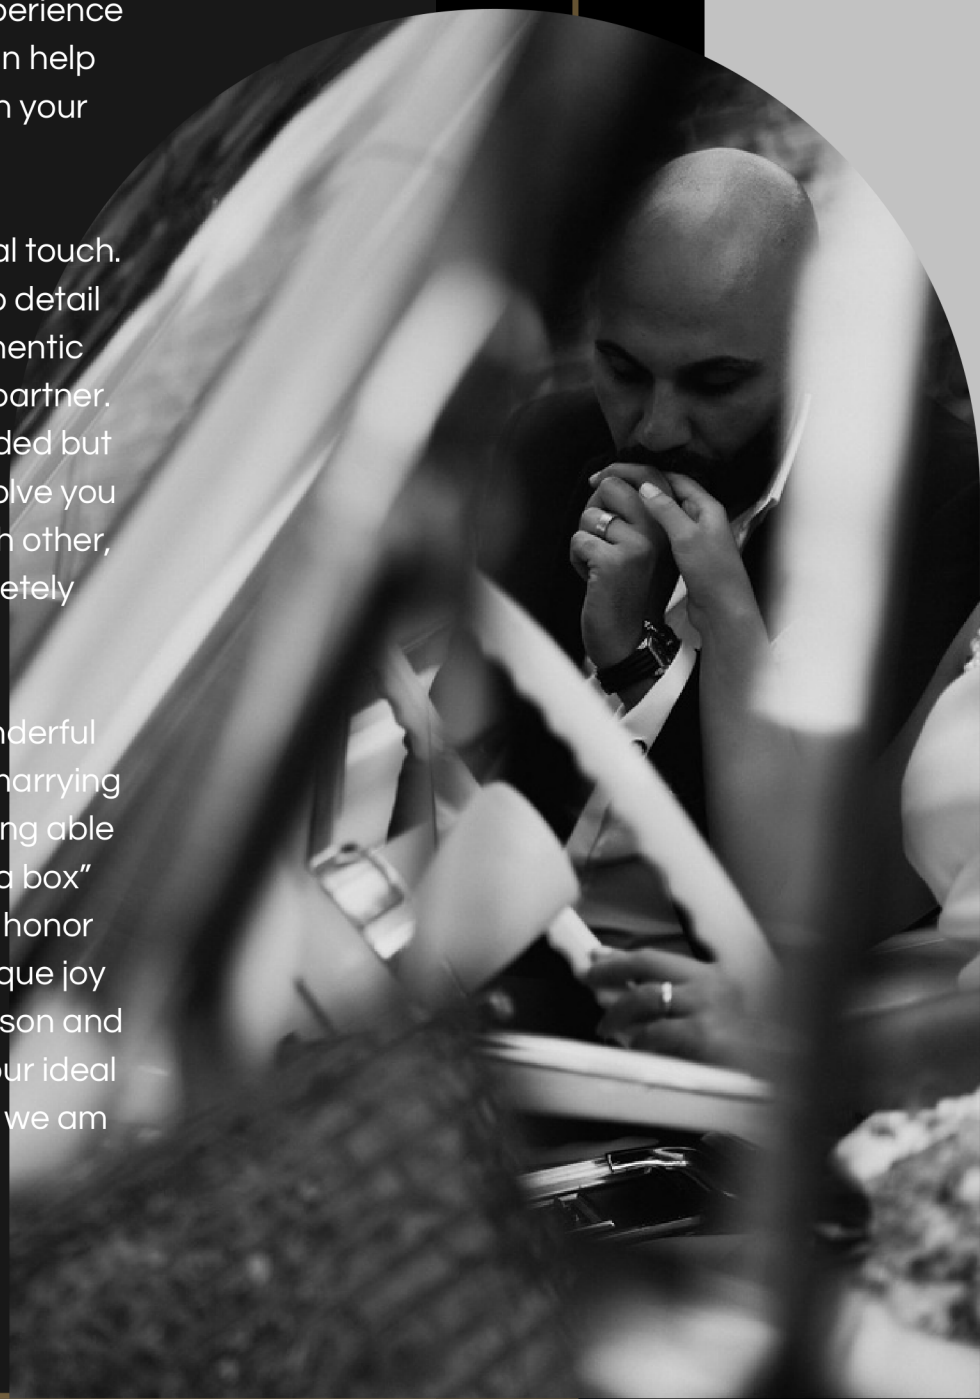

Why Choose Us

We specialize in intimate weddings with a focus on advocating for the couple to enjoy every moment of the day no matter how small or big. If you want a private first look, we will plan with you to make it happen. If you want to have an experience with your family members, we can help you research what's available on your area.

Every photographer has a personal touch. Our personal touch is attention to detail and encouraging romantic/authentic moments between you and your partner. We can assist with posing as needed but a lot of my prompts for photos involve you and your partner focusing on each other, living in the moment and completely forgetting that I'm there.

There's such a beautiful and wonderful feeling that comes when you are marrying your most special person. And being able to capture that for you, "put it in a box" (photo), to treasure forever is my honor and privilege. Again there is a unique joy that comes with marrying your person and if there is anyway we can make your ideal vision happen or be a little easier, we are here to help.

LOOK NO FURTHER THAN
MONIQUE!

We really landed the best photographer to capture our wedding. Monique allowed us to relive our big day through our photos in such a special way. She made it easy for us to be in front of the camera and was so patient! By capturing all our genuine moments, what really more is there to ask for?

Thank you x 10, Monique!

FAQs

How many images will we receive?

This is dependent on your package. Each package will determine how many photos you will receive. HOWEVER, I will deliver all good photos (not the blurry, duplicate or photos of you making weird faces) lol

Do you travel for weddings?

Yes! 100%

I structure my packages to be able to travel within the state of Arizona without any additional travel fees. Out of state has special pricing easy booking

How long until I receive my gallery?

For a typical photography or videography only wedding, turnaround time is approximately 6 weeks.

If you booked us for both, turnaround time is around 8 weeks.

Can we meet you before booking?

Most definitely! If you'd like to grab some coffee at a local Starbucks just let me know. OR if you'd like to schedule a Zoom call we can do that as well.

Do you give us all of the RAW files?

That's a no for RAW photo files. RAW files are not an accurate representation of my work.

We can provide RAW video footage for an extra fee or if it's already added to your package.

Do you offer payment plant?

Yes, payments are automatically split into 3 installments with the initial 35% non-refundable retainer due in order to book, a payment in the middle and the remaining balance due 1 month prior to your wedding.

Loved having them with me on my wedding day. They made me feel very comfortable and did everything I asked. Received our photos and video back much earlier than expected and I was beyond excited.

Now that you've got the lowdown, let's make this a thing!

Here's what's next:

- 1 Get a hold of me, ask me as many questions as you want, and you and I will get right into figuring out if we're made for each other the way that I think we probably are (especially if you made it all the way through this guide)!
- 2 Give me the word, say 'I do,' and I'll shoot you a contract so we can make it official. It's 35% to lock-in the date.
- 3 I'll shoot you a questionnaire so that I can get the creative wheels in motion as I begin to envision our shoot and the most authentic way to capture your whole true self!

LET'S MAKE SOME MAGIC TOGETHER

BECAUSE THE GOOD OLD DAYS
DESERVE TO LAST FOREVER
