“The Cabin Wedding Venue” specializes in outdoor wedding ceremonies, receptions, and special events. This rolling acre farm has been in the Nordsiek family for 3 generations and has been the center of many private events over the decades. As a family, we have decided the only way to keep our property for future generations was to open our doors to the public. We couldn't be happier to share with you what our family has loved for so many years. Welcome to “The Cabin”.

The Cabin Rental Includes:

- Choice of gazebo, wooded, cabin, or barn-side ceremony
- 185 guest maximum

Rental Pricing

Rental of The Cabin Venue includes a period of 3 days; the set-up of tent rentals, etc., the 2 hour rehearsal the day/night before the wedding/reception, 8 hours the day of the event, and the clean-up and dismantling of the tent rentals, tables, chairs, etc. the day after the event. The price is \$2500.00 with a 25% deposit due upon reservation of your wedding/reception date. Your reservation will not be secure until deposit is received and contract is signed. The above price is firm in all rentals, whether it is a ceremony, a ceremony and reception, or reception only. This is due to the need (in most cases) for tent rental set-ups and tear-downs which consume time at the cabin that cannot be available for other events.

Rental Deposit

The Cabin rental deposit of 25% is due upon receipt of the signed contract. If the renter cancels the reservation, the deposit is refundable ONLY if the reserved date is filled by another event. Otherwise, the deposit shall be forfeited.

Music

All types of music are permitted at "The Cabin". Acoustic guitars, stringed instruments, CD's, live bands, and DJ's are all permitted at a reasonable sound level. If the volume becomes excessive, we reserve the right to interrupt the electricity if the volume is not turned down. 'Last Dance' shall be 10 minutes before the end of your reception, then all music must cease. This can be no later than 11 p.m

Catering

All caterers must present a license certificate as well as certificate of insurance. "The Cabin" allows outside catering of your event. However, we can highly recommend a caterer who is experienced in catering weddings/events at our venue and can offer you a menu of many popular options!

Alcohol

"The Cabin" does not hold a liquor license. All alcohol served on the premises must be served from one location, by a licensed bartender. Proof of legal drinking age is required. If your guests become noticeably intoxicated, The Cabin Management reserves the right to close the bar at any time. A self-serve or 'open' bar is permitted with proper permits. Keg beer and 'homebrew' are also allowed. 'Last call' for alcohol shall be 30 minutes before the end of your reception, and then the bar must be closed. All alcohol must be corked and put away.

Children

Well-supervised children are welcome. We do not accept responsibility for the safety of unsupervised children. Please keep all children out of the landscape and ponds. Children must be highly supervised when walking around the pond, cabin decking, gazebo, and wooded areas. Children of the wedding party may be in the bridal room or inside of the cabin for changing clothes etc. only when accompanied by a responsible adult.

The Bridal Room

The bridal room, which includes a guest bath, is open to you, your bridal party, and your stylists. This room is not open for guests. It is your private area for quiet time, for dressing, and for those special moments before the ceremony. There is a salon available but is only to be used by the licensed stylists on our approved list. Your wedding photographer is also allowed access to the bridal room. Food and drinks are allowed in the bridal room but must be picked up prior to the ceremony. We ask that you leave this room as you found it. Be careful of any products that may stain.

The first floor of the home is completely off limits. This is the private home of Management. You are to access the bridal room from the door directly off of the back of the house. The concrete patio is open to your use, but please keep your bridal party and others off of the wood deck.

The Cabin

Prior to your event, the cabin may be used for a grooms' room, storage, caterer preparation, etc. There is no heat or air conditioning in the cabin so please be aware of the climate. All food inside the cabin must be under supervision of the caterer. No food is to be cooked or stored in the cabin. During the ceremony and reception, you have the option to keep the cabin locked. This is useful to keep personal items, money cards, and gifts safe. If remained unlocked, guests are welcome into the cabin. Please keep in mind that we would like a minimum amount of people in there at a time. This is a piece of our family history and cannot be replaced. We have the right to lock the cabin at any time if we feel it is being damaged or misused.

Restrooms

A port-a-potty and separate handicap bathroom will be provided with the rental agreement. We allow for you to rent other forms of restrooms if you would like. The handicap bathroom is for the disabled or elderly ONLY. Our sewage pump will not be able to withstand the use of all of your guests and could result in disaster.

Smoking

Smoking is permitted in designated areas only. Cigarette butts are to be properly disposed of and not to be left on the grounds.

Clean Up

"The Cabin Wedding Venue" is not responsible for clean-up after your event. There is to be no trash or unrented décor left on the grounds. If you have rented our décor, we ask that you set it inside the cabin upon leaving. There will be a dumpster provided for cleanup. All rental items, tables, chairs, equipment, etc., are your responsibility. Finally, please be certain that all items are collected and that the parking area is vacant by midnight. Any wedding items left will be disposed of and not returned to the renter. You will be charged for any excess mess that is left.
