WELCOME

Hello! I am so excited that you are considering me to photograph one of your best days. I capture every wedding with care and joy hoping to make memories in the photos that your grandchildren will cherish someday.

I'm going to quickly become one of your best friends on your big day! I'll cry with you, hold your hand when you just need a moment, I'll laugh with you, run and grab your bouquet and dance on the dance floor with you and your gang!

I hope the information in this guide will help you understand my booking process and walk you through choosing the wedding collection that best fits your needs.

Of course if you still have questions, don't hesitate to get in touch!

I CANNOT WAIT TO MEET YOU!

Jackie Brochetti

Hey There!

GET TO KNOW THE GIRL BEHIND THE LENS

I'm Jacquelyn, you can call me Jackie! Weddings have taken me all over Florida and have given me the opportunity to meet some wonderful couples! I really want to know about you and all of your wedding plans! I know how crazy this time of your life can be (I just recently got married myself!)

LET'S CONNECT!!

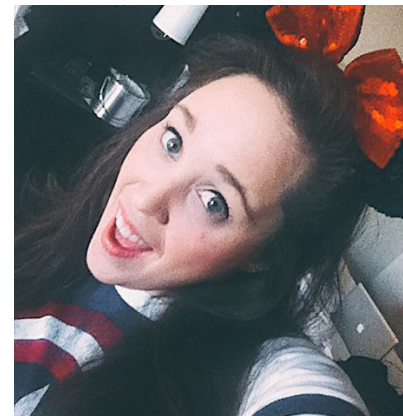

When Jackie moved to Gainesville Florida to be a Graphic Designer, she never imagined she'd be making her photography hobby into a career! Well, This Santa Fe graduate can't imagine doing anything else in life!

When she's not behind a camera or traveling to a wedding, she can be found watching Lord of the Rings with her husband, Justin, or she can be found indulging in one of her favorite places on Earth, her home away from home, Walt-Disney World! Fun little note, Jackie also just recently got married. So she GETS IT!

What to Expect

TIPS FOR YOUR ENGAGEMENT SESSION

LOCATION

If there is a place that's sentimental to you and your fiancé, I want to know about it! I also like to send location and outfit suggestions that will help you on your decision making.

SCHEDULING

If possible, I suggest aiming for cooler months and booking several months ahead. For the best light, sessions are best scheduled for shortly after sunrise or about 2 hours before sunset.

ENGAGEMENT DISCOUNT

For non-wedding clients, engagement sessions begin at \$400. For my couples, it's only \$300 to add to a collection unless it's already included in the wedding package that you chose.

WEATHER

Florida weather can be unpredictable for much of the year. I make a rain call at the latest, two hours out from your session to let you know if we need to reschedule.

HAIR

I have hair stylists I can share with you after you've booked your session. Their prices are not included in my collections and will need to be booked separately. No worries though, I'll contact them!

MAKEUP

Like hair stylists, I also have makeup artists I can share with you after you've booked your session. Their prices are not included in my collections and will need to be booked separately.

WHAT TO WEAR

I know this can be one of the most stressful parts of planning a photo session! I always recommend dressing up like you're going out on a nice date for one of your outfit choices and something more casual and comfortable for the other. Textures, subtle patterns, and accessories are always encouraged. Compliment one another, don't try and match.

If you still feel stuck, I have links to Pinterest boards that will help inspire you for your engagement session!
