WEDDING COLLECTIONS

Wedding collections start at \$4,500. All collections include at least 9 hours of wedding day coverage, complimentary engagement session, second photographer, online gallery of edited high-resolution images with printing rights. Extra wedding coverage is also available. I only accept a limited number of weddings each year to ensure that my couples have the best experience (usually around 20). Please contact for more detailed information and availability.

ELOPEMENT COLLECTIONS

Elopement collections start at \$1,500 for 3 hours of coverage on location, online gallery of edited high-resolution images with printing rights. This collection is perfect for couples wanting to have the most sacred part of their wedding day documented with only their closest friends or immediate family members present followed by romantic portraits. Extra wedding coverage is also available. Please contact for more detailed information and availability.

PORTRAIT SESSIONS

Throughout the year I offer portrait sessions for couples that include Maternity and Anniversary Sessions. Portrait Sessions are \$400 and include 1.5 hours of session time on location, online gallery of edited high-resolution images with printing rights. Please contact me for availability.
