

THE FLOWER SHOP'S

price list

Quite often we get a call or email asking what wedding florals will cost. This is the hardest question a florist will ever have to answer. There are so many variables when quoting a wedding or event. That being said, this is a rough estimate listing our standard prices. Each event is unique and we provide a custom design proposal for each individual client. Please click on the link below to our questionnaire and start your Floral Quote today!
