The Process

BOOKING

Lets meet for coffee or facetime! I want to make sure that you and I are on the same page! Being your photographer is not just a job to me, but a MASSIVE responsibility, and that involves making sure I'm the right fit to capture you day! You DESERVE to have your day captured the way YOU envision it!

Once we figure out that we are a match made in wedding heaven, Is when the invoice and contract come out. I require a 50% retainer to book your date, And from there we can create a payment plan that works for you!

First time we will work together will be the engagement session! This will be a great time for you to learn our posing techniques, and learn to be comfortable Infront of the camera. The next time will be the big day! This will be comprised of the following; Getting ready/ Detail, Bridal Party, Ceremony, Family/couple Portraits, and CANDIDS!!! I know it sounds like A LOT. Deep breath, I got you! I will walk you through every step!
