

HELLO FRIEND

*I'm Leana*

I am so excited to chat with you about your wedding photography needs. Making an investment in your memories is the smartest way to keep the best day of your life with you forever and have cherished images to look forward to.

I have a variety of packages including custom packages based on what your needs may be- each couple is unique.

Getting in touch with me is the quickest way to learn more about my packages and rates.

To give you an idea, my packages for photography start at \$3500 and Videography at \$2800.

Reach out and I will send you my full pricing guide.
