### WHY COUPLES LOVE US

#### Uniquely Yours

We are dedicated to only one wedding couple per day.

#### Peace of Mind Guaranteed

The sunshine state still has its showers. But by hosting a wedding with us, you can rest assured that all outdoor events are reserved with a weather back-up.

#### Have Your Cake...and Comfort Too

Caring about your guests' comfort doesn't mean you have to sacrifice the Florida scenery you've been dreaming of. Our indoor dining space is the only one of its kind in Key West with panoramic water views. You and your guests can enjoy the seaside setting, all the while staying refreshed by the conditioned air all evening.

### KEY WEST IS CALLING

# WHY COUPLES LOVE HYATT CENTRIC KEY WEST

“To say that this venue, the people who helped us make our experience so memorable, and the magic of Key West would be an understatement. The property is fantastic. Our room was perfect for our needs and the panoramic views were amazing. It was close for our entire, mobility challenged group to traverse. The Marquesa location was transformed into exactly what my bride had in her mind. The food from the Hors d’oeuvres to dinner options were incredible. We would without hesitation recommend the Hyatt Centric Key West for your wedding.”

[Michael – Groom – December 2022](#)

“The Hyatt Centric was the perfect place for our Key West wedding! Our guests couldn't stop raving about the scenery and food! The food was to die for and the portions were huge. We worked with Brianna Amaro from the beginning and she was so great to work with. I would absolutely recommend the Hyatt to anyone looking to get married in the Keys. It was the perfect choice!”

[Brianna – Bride – July 2022](#)

“Our event sales manager was amazing! She was always available to answer all my questions and to guide me in the right direction. She was at our event the day we arrived for our welcome reception party and the day of the wedding making sure all details were taken care of. She even made sure Nana (89yrs old) had the perfect location for the reception, just steps away. We traveled from PA to KW and with her help we never felt that we had to go ahead of time.

Kelsey was truly awesome with organizing things such as the numerous calls for the hotel bookings, helping us make decisions on decorations, dealing with our nut allergy, the additional reception party and breakfast ideas. We were in constant communication and everything came out exactly as planned if not better. We even had a storm to contend with several days after the wedding and the hotel was very accommodating. If we had to do it again I would only pick this resort and spa. Did I mention the location was fantastic!”
