NOTES:

WE NEED YOU TO CHOOSE YOUR ALBUM IMAGES WITHIN ONE YEAR OF YOUR WEDDING. A 10% SURCHARGE ON YOUR ENTIRE CHRONICLE WILL BE IMPOSED IF CHOICES ARE MADE LATER THAN ONE YEAR AFTER THE WEDDING.

This is because we must maintain storage space on our web servers and Also, the costs incurred by Casual Candid's in materials and processing are always increasing.

*Your high resolution DVD contains the original images with no post production processing. For best reproduction, some may require color or exposure correction. We can perform such corrections on up to 100 images chosen by you via our web site ordering for \$500.

*Your photographers will be spending the entire day with you working very hard. We prefer to be seated in the reception room so that we can have seats, eat properly and in a timely manner, keep an eye on the events of the party, and photograph the events that occur right after the meal. PLEASE INFORM YOUR CATERER THAT WE NEED TO EAT OUR MEAL AT THE SAME TIME THE GUESTS ARE SERVED, NOT AFTER. ALSO, WE DO NOT PHOTOGRAPH TABLES AT THE RECEPTION.

* All Casual Candid's parking fees, incurred for meetings or on the job, and shipping fees, are the responsibility of the client.

*A WORD ABOUT THE ARTBOOK: We at Casual Candid's require some artistic freedom to photograph your wedding and to design your album. Please look at our other Artbook designs. Once we design yours, you are welcome to request up to ten changes one time at no charge. After that, we must charge \$10 per change because of the amount of time required to make such changes.

*WE CANNOT RESERVE OR HOLD A DATE WITHOUT A SIGNED CONTRACT AND A DEPOSIT. To reserve a date, an initial deposit of \$500 is requested. Full payment is requested two weeks prior to the celebration or when we make a site visit.
