Packages*

Hi! Welcome!

I am so excited you are here!

First of all, CONGRATULATIONS!

Being engaged is such a special time and I hope I can make this part of the wedding planning easy, and more importantly... FUN!

Photography is one of the most (if not THE most) important investments you can make for your wedding day. The flowers will die, the food will be eaten, the music will stop playing at the end of the night, but the photos and memories captured will be cherished by you and your family for a lifetime!

When you book with me, you get a friend, personal hype woman, and photographer all in one!

I promise to be there for every small moment and to make sure you look and feel your absolute BEST!

I understand the investment you are making, and I will go above and beyond to deliver your DREAM gallery!

frequently asked questions

Do you charge a travel fee?

Yes I do! Anything outside of 2 hours from Norfolk, VA has a travel fee of \$50 per hour after 2 hours.

How long is the turnaround time for wedding photos?

I always try to get a sneak peek of about 10-20 photos within 48 hours so that you can immediately post about your special day! The rest of the gallery will be live within about 12 weeks, though usually it's a lot fewer than that. (I like to get it to you within 4-6 weeks).

How do I book my wedding date?

In order to officially lock in your date with me, I require a 20% deposit to be paid with the signed contract.

What is the role of the second shooter and is it worth it?

YES! 100 x YES! A second shooter is so valuable as it allows for more of the wedding to be captured! It's like cloning the lead photographer so that I can be two places at once! I can capture one party getting ready while the second captures the other! Or getting to angles for the ceremony! Super valuable.

thank you!

Thank you so much for considering me for such a special moment in your lives!

Capturing your wedding is an honor and a responsibility that I do not take lightly! Making sure everyone looks and feels their absolute best is my top priority!
