Timing

Please be prepared to start when I arrive. Everyone receiving makeup should have a clean face and ready to start. This is very important, so we can stay on schedule.

Makeup / 1 to 1.5 hours

Depending on what you want for your event, please take into consideration that a full face of makeup can take up to one hour and a half per person.

Bridal Makeup / 1.5 hours

For bridal make up, I will take my time and do my very best to make you look amazing on your special day. My job is to make sure you are relaxed and ready to go! If I am doing your wedding party as well, I will do you last.

Bridal Parties / To be announced

Depending on how many people you have in your party, I will calculate the time we would need to start depending on what time you need to be ready by. For parties with more than 4 people, I may bring one or more assistants to help me if needed.

Payment

Can be made by cash, or card. Payments must be recieved before leaving the makeup area. Please advise your party of this policy.

Makeup/Consultation

A full face of makeup will cost \$80. I do require a \$20 deposit to confirm the appointment. The deposit needs to be paid at least three weeks prior to the event through paypal or venmo. If not, the appointment will not be reserved. Please keep in mind that the deposit does knock off from the total, so you will only need to pay \$60 the day of your appointment.

Wedding Parties (to be announced)

The cost will depend on the amount of people you have once we set up the date. 20% of the total cost will be required as a deposit to secure the appointment. The deposit needs to be paid at least three weeks prior to the event through paypal or venmo. If not, the appointment will not be reserved.

Travel Fee

This is usually done for wedding parties, so that you do not have to travel back and forth to the location of your event. However, I do require an extra fee of \$20 if the event is at least 20 miles away from where I am located. You will also have to pay for the parking during the time I am there.

Starting Time

If the appointment is made before 8:00am, you will have to pay an extra fee of \$50.

Cancellation

Once your deposit is secured, you will have an acceptable grace period of five days to cancel your appointment to get a refund. If you try to cancel after the grace period, you will not get a refund. All cancellations must be submitted in written form by email.
