Snap & Chat Photo Booths

Photo Booth Service Contract

The following contract and its terms will set forth an agreement between Snap and Chat Photo Booths and _____ (client) the parties, for photo booth services outlined on the following pages of this agreement. This contract sets forth the full, written intention of both parties and supersedes all other written and/or oral agreements between the parties.

Service Period

The service period will be the date and times listed on the second page of this agreement. Snap and Chat Photo Booths will arrive one hour early to have the photo booth set up at least 15 minutes before the time agreed upon. The photo booth will be operational for a minimum of 90% of the time set; occasionally operations may be interrupted for maintenance of the photo booth.

In order to protect the expensive equipment, Snap and Chat reserves the right to refuse admission to guests who are unruly and/or have consumed excessive amounts of alcohol. Beverages will not be permitted in or around the photo booth. Should the photo booth be damaged in any way due to unruly guests or negligence on the part of the client or client's guests, Snap and Chat reserves the right to terminate the service period without refund.

Deposit & Balance Due

A deposit of \$200 is due at the signing of this contract to reserve your date. The remaining amount is due 10 days before the event. Client will pay a \$25 fee for any returned checks. The deposit is fully refundable when cancelled in writing by mail or email at least 30 days prior to the event.

Access, Space & Power for Photo Booth

The photo booth is available for indoor events only, unless the booth is fully protected from the weather under a tent or similar, and approved by Snap and Chat Photo Booths beforehand. Client will arrange for an appropriate space for the photo booth-6 feet high by 7 feet long by 7 feet wide as well as space for an 8 foot table. The client agrees to have someone available to direct where the photo booth should be set up upon the photo booth arriving. This area must

be near a working 3-prong power outlet or provide an extension cord. *There is a stair fee if location is not on a ground floor and there is no elevator.*

Date Changes

Any request for a date change must be made in writing at least 10 days in advance of the original event date. Change is subject to photo booth availability and receipt of a new service contract.

Model Release

Client agrees to, and understands the following: All guests using the photo booth hereby give Snap and Chat Photo Booths the right and permission to copyright and use photographic portraits or pictures of any photo booth user who may be included intact or in part, made through any and all media now or hereafter known for illustrations, art, promotion, advertising, trade or any other purpose.
