

## Wedding Packages

The wedding packages at Bella Rose were created with love by a husband and wife team with certified wedding coordination expertise. Each package is structured for easy planning, just the right amount of flexibility and pre-negotiated vendor rates that can't be beat.

Once your wedding package & date is selected you will then choose your team of vendors. We have hand selected wedding professionals included in each package who are ready to start planning the day you've always dreamed about. Our goal is to create ease when you are planning your wedding and to ensure that you have an enjoyable stress-free engagement.
