

The Atlanta Sound Quartet

Why Our Wedding Music?

"Brian from Atlanta Sound Quartet was great in making sure that every detail was executed smoothly on our wedding day! He was always extremely quick to respond to my questions and emails, and was able to learn a new song that I requested to have played. He also took time to set up a rehearsal for the violinist, cellist and my singer to practice. Very professional and great music that made our ceremony beautiful!!"

-Ashlyn Stolz (bride in Atlanta)
