## MEET THE PHOTOGRAPHER

---

I'm Ginger, the owner & photographer of Virginia Blake Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Lubbock, TX, I've been shooting weddings for over five years now. There isn't a day that goes by that I don't have my camera and tripod in-tow.

I began documenting weddings of friends and family members to build up my portfolio. After a friend of mine asked me to photograph her wedding, I absolutely fell in love. It has been a journey with bumps along the way, but I couldn't be more thankful with where I am now with my business.

Get comfy as you browse my work!

## F A Q ' S

---

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun. I fully believe in building a respectful relationship with clients and getting to know them as people prior to even stepping foot in front of the camera.

Q: Will we get the print release to our photos after our wedding?

A: Yes! You will also have the ability to purchase prints directly through your gallery link. These prints are from a lab I know and trust directly through my print store. I do run sales periodically for prints, so you can keep an eye out for those!

Q: How many photographers will be there at our wedding?

A: All of the wedding collections come with a single photographer, but you are more than welcome to add a second photographer for an additional cost (you will not regret it).

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings. If this is something you're interested in, let me know!

## F A Q ' S

---

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do you photograph destination weddings?

A: Yes! I am more than happy to create a custom wedding collection to suit your travel needs. Ask about my bucket list locations! If one of the locations you have in mind happens to be on the list, I will photograph/video your wedding for free. Only travel expenses will be covered by you!

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients or of real couples.

Q: How do we reserve our wedding date?

A: A 25% paid retainer & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due one week prior to your wedding.

## WHAT TO EXPECT

---

### Inquire

Once you have filled out the contact form on my website, you can expect a response from me within 2 business days. I love getting to know my potential clients, so next we will set up a time to meet or talk on the phone to answer any questions you may have.

### Accepting Your Quote

Once you've reviewed which collection best fits your needs for your wedding day, you can select which collection and any add-on's you want.

### Booking

A 25% non-refundable deposit and signed contract are required in order to secure your date. The remaining amount of your balance is due 1 week prior to your wedding. This goes toward the total cost of services.

### Scheduling

Weddings are scheduled 3-12 months in advance. I recommend scheduling your engagement session and bridals as soon as possible when booking your wedding collection. Cancellations and reschedules must be made via email or phone at least 48 hours prior to your session and 2 weeks prior to your wedding. All deposits are non-refundable.

### Wardrobe

For your engagement session, I recommend wearing something that makes you feel comfortable & confident! Neutrals and textures photograph really well. Don't hesitate to ask for outfit recommendations. I love getting to help with outfit inspiration!
