## Optional Charges

### Tent Rental

30x60 Frame Tent accommodates 100-150 people	<b>\$1177</b>
40x60 Frame Tent accommodates 130-200	<b>\$1695</b>
40x80 Frame Tent accommodates 180-280	<b>\$2260</b>
Tents may also be placed on reserve in case of rain for 25% of full rental rate	

Additional sizes are available. Farm staff must handle tent ordering, delivery, set up and breakdown.

### Sidewalls

Clear sidewalls may be rented to enclose Pavilion for \$825. Farm staff must handle sidewall ordering, installation and takedown.

### Restrooms

Additional restroom units may be required for groups larger than 200. Inquire about rates.

### Table, Chair and Linen Rental

You may rent tables, chairs, linens and other equipment from any reputable rental company. Set up and breakdown of rental equipment is the responsibility of the rental company or the Client. Please coordinate delivery of any rentals with the Farm owners. They will be able to meet the rental company to let them in and out at no additional charge, but the day and time of delivery may depend on the needs of other Clients.

### Additional Time

All amplified music must end at 10:00 PM without exception. Rental end times are the latest times that all breakdown and cleanup must be completed. So, for a Saturday event, the 11:00 end time means that we will close and lock the gates at 11:00. Additional time for set up or clean up may be purchased at the rate of \$175 per hour, but in no case can the time extend beyond midnight.

### Day of Coordinating

Event Attendants are included with all rentals but are present only at the beginning and end of event to attend to Farm property and equipment, parking and trash. They are not responsible for set up of rental equipment, Client's décor, or supervising vendors. A Day of Coordinator is highly recommended for those reasons. Inquire about rates for one of our recommended coordinators.
