

WEDDING PACKAGES

All of our packages come with a custom keepsake USB drive and box with all of the images from your special day. This allows you the freedom to create your own prints or products at your convenience. If you want the quality of professionally printed images, Guys & Dolls offers A La Carte pricing and a variety of albums, wall portraits and keepsake products.

Simple Coverage - \$1,000

With the Wedding Simple you will receive up to four hours of wedding coverage captured by Dan or Dana (your choice). With the Simple, you will receive one custom USB Box and Drive with all your images lightly retouched. Wedding ceremony must take place within a 20 mile radius of Mt. Pleasant.

Classic Coverage - \$1,500

The Classic offers full ceremony coverage starting up to two hours before ceremony and up to one hour of reception coverage captured by one of our photographers. An outdoor location (weather permitting) is limited to the ceremony or reception site. With this package we will create one custom USB Box and Drive with all your images lightly retouched from your special day.

Imperial Coverage - \$2,000

The Imperial offers full ceremony coverage starting up to two hours before ceremony and up to three hours of reception coverage. An additional outdoor location is also included in the Imperial. With this package we will create one custom USB Box and Drive with all your images lightly retouched from your special day. The USB Drive is yours to keep with a full copyright release. Add a second photographer for \$500.

Prestige Coverage - \$2,900 (Best Value!)

The Prestige is our most popular wedding package. With the Prestige you will receive two photographers to capture your special day. Coverage starts up to three hours prior to ceremony and continues through three hours of reception coverage. Two additional locations other than ceremony and reception site are included. With this package we will create one custom USB Box and Drive with all your images lightly retouched from your special day. The USB Drive is yours to keep with a full copyright release. In addition, the Prestige includes a \$450⁰⁰ credit. This credit can be applied to one of our custom designed albums, a beautiful gallery wrap, or to any of our high quality print products.

The Masterpiece Collection - \$4,500

The Masterpiece Collection is for the Bride and Groom who want everything. Starting from the salon while the Bride is getting ready, until after the sun goes down and everyone is dancing, our two photographers will be there to capture your priceless memories. Don't worry about where you are hosting your big day; There are no travel fees within Michigan's Lower Peninsula. The Masterpiece also includes the one of the finest wedding albums Guys & Dolls offers. This 20 page 12x12 album is custom designed to tell the unique story of your wedding day. The Masterpiece album combines the quality of a library-bound album and the artistic vision of our award winning photographers. No one story is alike- your album will be as unique as your special day. Choose your album selections from your custom USB Drive. The Masterpiece is completed by two 10x10 - 20 page image family albums, or a 30-inch gallery wrap wall portrait.
