Wedding Reviews

Words can't describe how insanely grateful we are for Carl and Rebecca. Our wedding could not have been more perfect and coordinated by better people- I can't picture having been married somewhere else. The hospitality, kindness, organization, attentiveness to us and every detail were top notch and you

can tell they have a passion and love for what they do. Being from out of town, Dream Manor was the right fit for having so many connections to amazing vendors and having them all in one place, definitely made the process stress free! One thing I am grateful for was how accommodating they were to our vegan guests! The cake was gorgeous, our photographer was so fun to work with and has an awesome eye, The DJ really made the night fun and selected the perfect music- we really danced the night away, and the flowers were more beautiful than I could have imagined. I'm positive I could write a novel. I truly think many people should come to the Dream Manor, they care about their guests, they are there for you and want to help make what could be a stressful situation fun and stress free, and you can't beat the beautiful nature and views! *Adriana-Trip Advisor September 2018*

I could not say better things about this place! We got married here and they absolutely took care of us. We didn't lift a finger and it was a stress free day. This is the most beautiful place in Arizona, it's so private and intimate. It felt like we were the only people in the world here. Rebecca did our wedding ceremony and made it just perfect. There was not a dry eye. Our DJ was amazing, Our cake and it was beautiful and so delicious! The food was so amazing throughout our whole visit.

I'm glad I had Carl and Rebecca on my team for my wedding. I highly suggest a visit to this true gem in the desert.

This venue was everything we could have dreamed of. From the moment we looked at the Dream Manor Inn and walked around we knew this was the venue we were going to get married at. Rebecca was so good at responding quickly to any and all of my questions I had through email and phone. She made everything so easy!! All the vendors were so great to work with. Our wedding cake turned out better than we imagined and the photographer got so many good photos of the

day! The DJ was awesome! He had great game ideas to get people dancing. The dance floor was never empty! Many of our friends and family commented saying it was the most beautiful wedding they had ever been to. We would recommend the Dream Manor Inn to everyone we know getting married! Amazing sunsets and so peaceful overlooking all of the hills. Thank you Dream Manor for making the wedding planning so easy and for everything you did to make our day so special!! *Ashlyn -Wedding Wire-6/6/18*

We had moved to Arizona six months prior to deciding it was time to get married and my biggest fear was trying to put a wedding together in a state that I was so new to. Once we arrived, we saw the beautiful vistas that to be honest online does not do justice and how gorgeous everything is, with the feeling of peace I felt walking through the venue.

The packages Options were all pretty amazing and incredibly inexpensive so we went with the platinum package. We did not have to worry about searching for music, floral arrangements, rehearsal dinner, photographer, caterer, cake & DJ. All the team at DMI helped us through the whole planning process of our wedding. I honestly believe our dream wedding could not happen if it wasn't for them. I am beyond satisfied with all the services rendered. Carl and Rebecca felt more like parents of the bride and provided the best hospitality to us and all our guests. Our guests continue to talk about the beautiful venue itself and how peaceful it was, the amazing food that was served for breakfast in the morning and for the day of the wedding, Carl and Rebecca's hospitality, and the convenience of staying at the venue the entire weekend. From nervous scared fiancée to an incredibly satisfied and happy bride! *-Olivia-May 2018-Wedding Wire*
