# LOVE NOTES

our incredible clients share  
their experience

Nick did an excellent job photographing our elopement! We hired him on such a short notice and he really came through for us! I am in love with our photos and very thankful for his hard work! He took the time to capture every detail! We recieved our photos very quickly, too! I highly recommend!

We could not be happier to have hired Nick to capture our special day. We originally hired him to capture the moments up to a certain time of the night; however, he stayed for longer than we had anticipated. We are so grateful for that. Because of that, we have so many more memories captured in our pictures. When the time came to deliver our pictures, he surprised us with a personalized wooden box that contained printed pictures and a flash drive with all the pictures. He was helpful, friendly, and professional. Most importantly he made it fun.

We don't have enough good things to say about Nick. He helped my husband plan the cutest wedding proposal ever and then went out of his way to make our wedding photos look out of a magazine catalog. Because of covid my husband and I didn't celebrate our union, so pictures is all we've got and our families loved them. He is extremely professional and easy to work with. We couldn't have made a better choice.

We couldn't of asked for a better photographer. With it being a destination wedding we were very worried about your photographer. We first reached out super early and didn't have a photographer picked. After several months later we kept returning to Nick. And boy he did not disappoint. His pictures were the mood we were looking for. He was timely; creative; and always willing to go above and beyond. We couldn't of picked a better photographer and our pictures tell it all. A 1000 times I would pick nick and his services.

**kirstyn + trevor**

Our wedding turned out to be everything I was dreaming of! I was extremely impressed with our photographer, Nick! He did an incredible job capturing us, and he even stayed late when our schedule was delayed. I now know who to call anytime I need a photographer! He really exceeded our expectations and went above and beyond for us!
