

# WHAT ARE YOUR CAKE PRICES?

With the amount of custom work we do, set prices are tricky to come by. But in general base prices\* are:

Conventional cakes: \$5.50/serving

Vegan and gluten-free cakes: \$6.50/serving

Refined sugar-free cakes: \$6.50/serving

Organic cakes: \$7.00/serving

Combo cakes (vegan + gluten-free + etc.):  
\$8.50/serving

Cupcakes: \$35/dozen

Mini cupcakes: \$25/dozen

Dessert table items: priced individually

\*base prices are calculated on a vanilla cake with vanilla swiss meringue buttercream, and with minimal to no decoration.

Please keep in mind that these are merely starting prices and do not reflect specific flavors, fillings, or decoration.
