

A wedding couple is the central focus of the image. The groom, on the left, is wearing a dark suit, a white shirt, a dark tie, and a white boutonniere. The bride, on the right, is wearing a long, white, lace wedding dress with a long train and a white headpiece. They are standing in a modern, brightly lit hallway with blue-tinted walls and floors. The walls are made of large, reflective panels that create a sense of depth and perspective. The floor is a polished, reflective surface that shows the couple's reflection. The overall mood is romantic and elegant.

FREQUENTLY ASKED QUESTIONS

# FAQ

## How long does it take to get our images?

Online galleries and digital files are ready within 4 weeks of the wedding date. Upon final approval of album designs most albums are ready for delivery within 6-8 weeks. Larger, handmade albums take approximately 12 weeks.

## How many images will we get?

The number of photographs taken depends on many things – the number of guests, hours of coverage, types of events. From a typical 10 hour wedding you should expect no less than 900 images, but usually the number is much higher.

## Do you come to the rehearsal?

Rehearsal dinner coverage is available if you'd like to add it to your collection, otherwise we do not attend the rehearsals.

## Can you hold the date for me?

Sorry, unfortunately we can not hold the date or pencil you in. To be fair to everyone we can't "hold" a date without a retainer and a signed contract.

## Do you refund deposits on cancellations?

No. The retainer fee is non-refundable. The retainer guarantees that we will hold the date exclusively for you and once you've signed the contract we do turn down all other commissions for that date.

## We're ready to book, what's next?

Great! When ever you're ready, we require a signed contract and a retainer fee of \$500. 70% of the balance is due 4 weeks before your wedding date. The remaining balance is due when thumbnail images are delivered.

A signed contract is required in order to book the date.
