I'm Molly

BEHIND THE LENS

Hi, I'm Molly!

A colorado girl with a big heart for the outdoors and adventures. My style of photography is capturing the raw and natural beauty around you! All those real, raw elements that make your wedding day...yours!

In my free-time, you'll find me in the middle of nowhere, exploring an off the grid location with beautiful Colorado scenery. Need some hiking recommendations? I got ya!

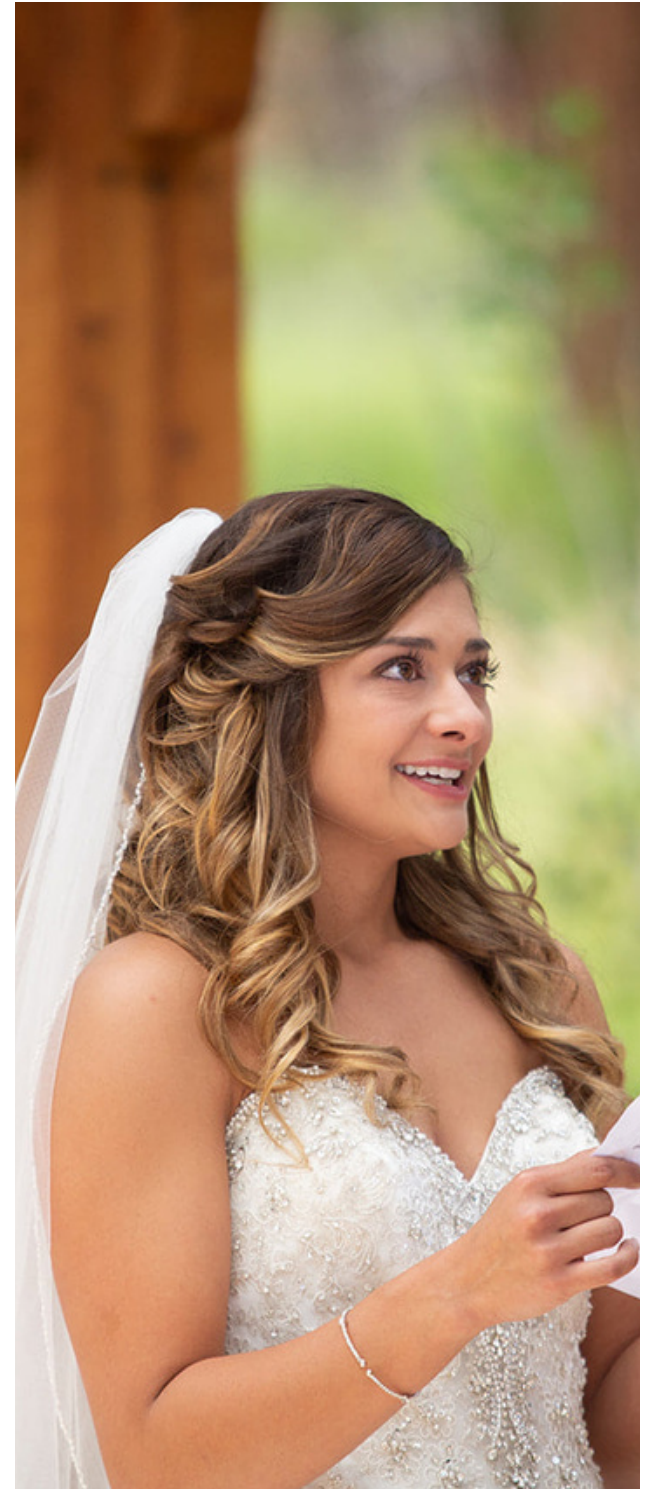

I am a full-time photographer based out of Loveland, Colorado. Sometimes I have to pinch myself because I can't believe I get to live my dreams.

What makes me different from other photographers? The passion and love I have for photography. There is literally nothing else I'd rather be doing. I will use all this passion to capture your wedding day the best I can!

"Molly was my photographer at my wedding, and she was absolutely AMAZING!!! If you want someone who knows what she's doing, is super fun and easy to work with, and produces incredible shots, then Molly is for you. She came up with some brilliant shots to help us really capture the vibe we were going for. She was also so fast in getting our photos back to us. I am so glad I had someone like her to help make my special day even more special!"

A photograph of a young man and woman embracing outdoors. The woman has long, wavy brown hair and is wearing a dark top. The man has short dark hair and is wearing a blue sweater. They are both smiling and looking at each other. The background is a soft-focus field of yellow flowers under a bright sky.

"Molly is an incredible photographer who I would highly recommend to anyone looking. We hired her for our very small wedding this March! She was professional, had an eye for different photo ideas, and helped move all of our family pictures along really well! Throughout the event I had so many family members come up to me and compliment Molly and her photo skills. I could not say enough good things. She is super creative and fun to work with. She also was able to get photos back to us quickly which was very exciting."

ANSWERING ALL THE QUESTIONS

Will your logo be on the images?

No way! You will see logo's on the photos I post on social media only. The photos you receive will have no logo or watermark on them.

Do I receive black & white images?

Yes! I include black and white images in every wedding gallery

How many photos per hour will I receive?

I go by quality over quantity. I estimate around 50 photos per hour booked

Are you comfortable with different lighting situations like harsh lighting + indoor/dark lighting?

Of course, as an experienced wedding photographer, I am confident I can capture gorgeous images regardless of the lighting situation!

Do you offer prints or albums?

No! I don't believe in upcharging a ridiculous amount for prints and albums. Instead I give you recommended sites of professional printers where you can do this on your own at a reasonable price!

WHAT HAPPENS NEXT?

I always like to set up a phone consultation which usually takes around 15 minutes. I want to make sure we have talked, all your questions have been answered, and you are confident in moving forward. If you prefer to meet in person, I'd love to grab coffee with you!

Once you have decided to move forward, I will send you the contract which can be signed online. After signing the contract, you have one week to pay the \$300 non-refundable retainer.

If you are doing engagement photos, then we will pick a date and time for these. If you are not doing a package with engagement photos, we will set up a coffee date so we can get to know each other before the wedding.
