

Wedding Coverage & Trash The Dress

Session

Photographer Pierre VIOLLE. Professional with over fifteen years of experience in Europe working for magazines such as Marie-Claire, Gala. I'm established in Mayan Riviera Since 2006 highly involved in Wedding and portrait photography.

Additional Staff members: On all my sessions a second photographer/assistant helps me. He shoots as well photos and he helps me with reflectors and remote flashes.

Picture delivery (What you will get)

- **High Resolution Digital Photographs (1)** You will receive the high resolution digital photographs. Color, black and white or sepia, according to your preference. Each picture file will allow you to make high-quality poster-sized enlargements.
- **Screen & E-mail resolution photographs.** As a plus I will give you your digital photographs in a standard resolution making easy to watch them on your computer screen, to upload to your social networking or to Email.
- **Delivery Time: Could take up to 8 weeks after the wedding day. (2)** Post-treatment one by one of photos is time consuming and accounts for delivery time.

All the digital photos will be sent by Internet. I will send you a private link to download the photos (High and low resolution) to your computer. If you like, your guests will be able as well to download and print the photos.

- **Copyrights:** You will receive all the rights for any kind of copy with private purpose (uploading on your social networking or website, prints, albums).
 - **(1) High resolution photography:** I use several Nikon D800 (max. size: 36 megapixel - 7360x4912 pixels). The high resolution picture files you will receive can be enlarged up to 24x16 inches with incredible sharpness and clarity.
 - **(2) Personalized design of each photograph:** The contrast, colorimetric balance, light and the image composition are optimized manually with specialized picture software (Nikon Capture NX and Photoshop CS). A digital makeover treatment is added subsequently to eliminate any imperfection in each photograph.

COMPLETE	5 hours coverage (usually enough for the Make- up of the bride + Ceremony + Portrait session+ toast + beginning of reception) At about 160 digital photos as specified above (1)	3300 USD
GOLDEN	8 hours coverage (usually enough for the Make-up of the bride + Ceremony + Portrait session+ toast + reception) At about 250 digital photos as specified above (1)	5100 USD

EXTRA TIME COVERAGE: For any package, one additional hour session including at least 30 additional digital photographs on CD-ROM..... **600 USD**
or ½ hour with at least 15 additional photos..... **300 USD**

PAYMENT: In order to book your date I require an upfront deposit of 500 USD (PayPal accepted). You can decide later the package fitting with your event. The final payment has to be done the day of the photographic session. (Cash or PayPal by Internet).

(1) AMOUNT OF PHOTOS YOU GET: For any package, I guarantee a minimum number of photos. Anyway, you will receive all the good shoots; I do not keep the good shoots for myself. By experience I know that a reputable professional shoot an average of 30 to 35 good photos (emotions) per hour. During the wedding I shoot 150 to 200 photos per hour to be sure to capture the best moment of each emotion. The post-production consists in selecting and touching up the best photos to give you the most memorable photographs.

Different *Trash The Dress* Sessions

1- TRASH The DRESS in a "Cenote" with underwater photos (After the wedding)

"Cenotes" are natural freshwater pool in the middle of the jungle. I will pick you up at your resort and bring you to one of the most spectacular cenotes of the Riviera Maya. This very special session requires **4:30 to 5 hours**. (We will take a break and enjoy a snack in this little piece of paradise). I shoot some photos **outside** the water using the wild landscape, others **on** the water and finally I shoot **underwater** photos using a waterproof system. Depending the cenote and the season, the session takes place in the morning or the afternoon to take advantage of sunlight conditions.

Full session- 4:30/5:00h At least 65 photos. (1)(100USD discount if you hire me for your wedding) **3200 USD**

Short session- 2:30h At least 35 photos. (1)(100USD discount if you hire me for your wedding) **2300 USD**

2- TRASH THE DRESS on the Beach

This session requires about **3 hours**. I will pick you up at your resort and bring you to the wildest beaches of the Riviera Maya. We will shoot some photos **outside** the water using the wild landscape, others **on** the water. (depending the visibility in the water, we may shoot as well some underwater pictures)

You get at least 50 photos..... (100USD discount if you hire me as well for your wedding) **2100 USD**

See pictures on my web. [Click on this link: www.pierre-wedding.com/beachurban-ttd](http://www.pierre-wedding.com/beachurban-ttd)

3- TRASH THE DRESS Mix of Swimming pool / Beach with Underwater photos

This session requires **about 4 hours** sharing our time between the swimming pool and the beach of your hotel. I shoot some photos **outside** the water on the beach and the resort, others **on** the water and finally I shoot **underwater** photos on the pool using a waterproof system.

You get at least 50 photos (1)..... (100USD discount if you hire me as well for your wedding) **2100 USD**
