Vacation Rental & Wedding Celebration Packages

For celebrations in 2019

& Available for 2020 dates when booked BEFORE March 31, 2019

The Groves on 41 is a rustic wedding venue located in Templeton, California.

The charming 4,000 olive tree orchard surrounds the entire premise; trellised and planted, their olive trees reflect the likeness of the wine grape vineyards back in the 1960s. Their delicate green-gray leaves help mitigate street noise, adding elegance and character all year round to the property.

The venue holds three event spaces, accommodating up to 150 guests in the 3,000-square-foot building, The Barn, decorated with neutral colors and café lighting. A spacious patio deck, this space is ideal for dancing and includes an outdoor fireplace. Vivid with the colors of summer and always in bloom with fresh flowers, the venue features three acres of private gardens, pristine lawn areas, and ample grounds for a variety of outdoor settings.
