love

THANK YOU FOR CONSIDERING US FOR YOUR WEDDING DAY
SUN & SPARROW PHOTOGRAPHERS

Travel with us to the most romantic day of your life. This is a day that implores you to revel in your love and necessitates exquisite documentation of your unique love and personality. Let us enhance it with photography and videography to make it completely fun & completely you.

telling stories, sharing love.

The Experience

Your love story should make you and your fiancé shine through all mediums of film. Choosing a team of people to be at your wedding is a big decision. From your engagement session to the last moments of your wedding day, you deserve someone that will be by your side every moment, someone that will notice every small detail, and someone that will make your day unforgettable. We are passionate about capturing details and telling a beautiful story through them.

Every Sun & Sparrow photographer is constantly working to challenge themselves to find inspiration and to see things creatively. We consider every image and every location to be new, exciting, and challenging. We especially endeavor to share every client's voice with a unique story.

The Details

To secure your wedding date, we ask that you select your packages and contact us as quickly as possible. // We are always willing to talk about customizing your packages to fit your budget and your wedding style. // We require a 1/3 deposit to make your date with us official.

Our photo & video services are separate packages and must be purchased as such.

You will receive a disc of images from any wedding, engagement session or film that you purchase.

Lastly, this is your day! Making your day special and personal is our pleasure! We communicate through every part of your day to help you make every moment uniquely yours!

Photography packages

Wedding photography may quite possibly be one of the most important investments that you will make for your wedding day. So, when you make your decision, you want to make sure that you LOVE your photographer. You want to connect with your photographer and the photography. You want your photographer to tell your unique love story and make your wedding day sentimental, memorable, & beautiful. Sun & Sparrow wants you to fall in love every time you look at your photos & every time you press play and browse your wedding film.

Fall in love with every photo

All roads lead here

coming home

We believe that although photography is important, having memories that you can take home, that you can hold in your hands, that you can cherish every day, is worth the investment. Take home an album, a fine art print or gallery canvas that can beautify your home and remind you of your love, every day.
