

Step into the Garden at The Hops

***Connecticut's Hidden Gem.***

***Step outside our rustic barn into a secluded, tree-lined garden with waterfalls, a wedding arbor, fireplace, and variety of plants amongst the sprawling lawn. A picturesque backdrop for the celebration of a lifetime. Your wedding, your way.***

# The Garden at The Hops AT A GLANCE

ELEGANT | NON-TRADITIONAL | RUSTIC

*Celebrate your wedding with friends and family in our beautiful private garden area with cascading waterfalls, fire pits and a distinct rustic setting.*

## What Our Couples Have To Say:

*"The Hops Company made our day even better than we expected. They helped us get exactly what we wanted from our rental company and made sure it was all executed perfectly. All of our guests were wow-ed by how the space was rustic and elegant. I cannot speak highly enough of the staff and service. They catered to our every need. I would 100% recommend them."*
