Step 3: Wedding Set-up Add-ons

Wedding set-ups add-ons are perfect for adding a unique experience to your wedding. See what we have to offer for your wedding!

Room Lighting

Varies

Looking to accent your wedding theme? Up-lighting can give your wedding day decor the boost it deserves. Room lighting will transform your reception hall to your dream destination. Ask us how you can add room lighting to one of our wedding music packages!

Party Games

Varies

Everyone loves a good party game! A Party's Favorite Entertainment has game rentals for just the occasion. Give your guests something extra for the cocktail hour and reception. Games available include Cornhole, Giant Cup Pong, Giant 4-In-A-Row, Giant Timbers, and many more. Perfect for the outdoors or patio. See what games would work best for your wedding day.

Pic/Video Slideshow

Varies

Want to show off your memories, engagement photos, or anything you hold special? Add a video monitor to the party! We can help you with putting together a slideshow to put on display for you and your guests. When it's time to party, we can also change over to visual party effects. Enhance your party for everyone to see.

Selfie WiFi

Varies

Selfie WiFi puts the photo booth in your hand and all around the party! You and your guests will capture photos and create a visual slideshow as well as printable keepsakes. Selfie WiFi is as simple as: connect, upload, view, and print. Connect to the party network, upload a photo taken from your smartphone, view your photo on the big screen, and print your photo to take with you.

Party Effects

Varies

Want to have your first dance on a real cloud? Or be sent off with a rain of confetti? We have different effects that will elevate your special day. Set up and clean up are available for most party effects. From bubbles to sparks and other party effects, let's talk about what would make your wedding day stand out!
