ADDITIONAL INFORMATION

Private Oaks is an outdoor venue, therefore there will be no access to the inside of the house. You may elect to have your wedding at the front of the house, but there will be no access granted to the inside of the house. Our venue has two prime locations that the bride may use for her wedding and reception.

We provide all of our brides with a recommended vendors list, which will help you find: DJs, catering, bartenders, etc.

Private Oaks allows all parties to have two additional hours free of charge for event set up and break down. Therefore, if the bride chooses the Basic package, which allows exclusive use of the property for 5 hours, the bridal party will be allowed access one hour before their event time starts and one hour after their event time starts. Additional time is \$500 per hour.

We encourage all interested parties to schedule a venue visit. To reserve our venue for your big day you must pay a deposit.
