

## Wedding Packages

White Mountains Wedding Photography offers a wide range of packages starting at \$395.

We pride ourselves in customizing packages to suit the couple's individual needs while working within their specific price range. There is no reason you need to be locked into a pre-determined package that includes things you don't want or need.

Tell us what you want and we will make it happen.

### Package Options

USB Flash Drives of all photos are available with every package - we also offer online viewing so guests and relatives can see your wedding photos and order their own copies!

We offer terrific turn-around time...photos are ready when you return from your honeymoon

Our contemporary line of the highest quality leather albums allows you to choose from a wide variety of designs. We will be available to assist you to create an elegant, custom album of your dreams.

You have the option of having two photographers at your wedding.

In addition to capturing breathtaking images that tell a story of your wedding, we are dedicated to providing incomparable service at an unparalleled value!
