

ELLA FARRELL WEDDINGS

*Welcome Guide*

# Hello!

Thank you for considering Ella Farrell Weddings to capture your wedding! We'd like to take a moment and congratulate you on your engagement and the exciting times ahead.

When considering a wedding photographer, personality is as important as talent. We'll be spending the entire day together. We'd love to have the opportunity to meet in person, get to know you both as a couple, and ensure that we're a good fit.

We are happy to provide full galleries of past weddings we have photographed so that you are able to gain a general sense of what to expect. We take an editorial, fine art approach to photographing weddings, mixing posed imagery with candid, emotional moments.

We hope to work together soon!

*With Love, Ella Farrell*
