

Complimentary Consultation

This is where the fun begins! We will have an in depth consultation regarding your hair, makeup, lashes, color scheme, and any other factors that will come into play on your big day. This can be done complimentary in person or virtually for a \$50 fee that will be applied to your total.

Booking Process

To book with Little Shop of Hairdos, Shaina will send over an estimated quote after receiving the number in your party, services needed, and location. Our contract and cancellation policies will be reviewed and a 50% deposit for all services will be collected.

This is a non-refundable deposit. The remaining balance is due one week prior to the wedding date. Then we will schedule both a trial and your wedding day services.

Peak season weekend dates are in high demand. We recommend booking your wedding services at least nine months to one year in advance.

Trials

Your trial should be scheduled one to three months prior to your wedding day. Be prepared to share all of your inspirations and ideas with our team so we may accommodate them! You will want to bring everything you will wear on your big day such as your veil, headpiece, jewelry, and so on.

We encourage all of our brides to do a trial, but sometimes time or other events don't allow for one and that's okay too.

All trials are done at our studio in North Raleigh and cost the same as the day of services if not included in your contract.

We can definitely do your trial prior to booking. If you do opt to do a trial prior to signing your contract and placing your deposit, there is no guarantee that your date or the same professional will be available.

Trials are limited to just our brides and not other wedding party members, to ensure all of our other bride's trials can be accommodated.

Trials are scheduled on Monday-Friday depending on our professionals availability.

We are unable to schedule trials on Saturdays or Sundays since our entire team is out working on weddings those days or working in the salon behind the chair.

Wedding Day Hair/Makeup

We will recreate the look we achieved during your trial. Please remember that everyone in your wedding party is welcome to join us for services on your wedding day. Bridesmaids, attendants, mothers, grandmothers, and flower girls must be booked when signing the contract.

Preparing for your Big Day

To help us serve you better and ensure that your wedding day runs smoothly, we ask that you and your wedding party please follow these simple guidelines:

- Please arrive with clean, dry hair to help with the hold of your hairstyle.
- Make sure your face is clean and moisturized prior to our arrival to ensure that your makeup holds all day.

- During your trial run, please wear an ivory or white shirt that is as close as possible to the color of your wedding dress to ensure that makeup is correctly matched.
- Please bring in your headpiece, veil, and any hair accessories to try on.
- On the day of your wedding, you are invited to bring in any drinks or food that you feel will make your day more special. We do offer complimentary water, coffee, and bubbly if you are getting ready at Little Shop of Hairdos.

Cancellation Policy

Postponed Weddings

If you are considering the option to postpone your wedding we require a 90-day notice to prevent any fees. Anything that falls under 90 days would fall under our cancellation terms and fees outlined in our contract. We reserve our stylists specifically for your date. We would not book additional weddings and turn away multiple inquiries. Our cancellation policy protects our stylist in the event cancellation happens with short notice and our team is not able to book another job.

Postponing After Trial

If you've had your trial with us we will 100% try our best to ensure you have the same artist for your new wedding date. If the stylist you have worked with is not available for the new wedding date we will look to pair you with a separate lead stylist to accommodate the new date. We offer the option to have an additional trial with your new stylist and the cost would be at a discounted rate of \$110 for hair and \$110 for makeup.

If your bridal package includes a trial, the price included would be used to pay the original artist for services rendered for the first trial. The secondary pricing would compensate the new artist for the additional trial. We are offering the option to forego a new trial to help cut costs.

Cancelled Weddings

If you booked with Little Shop of Hairdos through contract/deposit and you have elected to cancel wedding day service (instead of postponing):
In the event cancellation occurs 0-30 days before the wedding day the full amount of contracted services would be due. If the wedding has been postponed and payment is due Little Shop of Hairdos brides are required to pay the contracted amount and this can be transferred to the new date.

If wedding cancellation happens 31-89 days before the event we will require 50% of the payment for contracted services listed to be due at the time of the cancellation.

Please Note

The cancellation terms would not apply if there is a state-ordered mandate that would permit the wedding from taking place. Each wedding event will be addressed based on the details at hand.
