In 2002, the law was changed to allow non-Aruban citizens the opportunity to marry on the island. Since that time romantic Aruba beach weddings at sunset have become very popular on the island. A civil ceremony must take place in the Oranjestad Town Hall in order for you to be legally married. All documents must be translated into the native Dutch or English language.

**2. Copies of the passport** picture page or valid state issued picture I.D. for Bride & Groom minimum of 2 witnesses (as 18 years or older) with passport picture pages or valid state issued picture I.D. Witnesses can be provided locally for a fee, if bride and groom are traveling by themselves.

**3. Certificate of no impediment** to be obtained from the Bureau of Vital Statistics which is located in the Department of Health, as proof that by their records you are both presently unmarried and are therefore free to be married to each other. This document must have an apostille seal.

**4.** If either party has been **divorced**, a copy of the 1st and last page of the divorce decree(s) is needed. This document must have an apostille seal.
