*Service Location Requirements: If booking on location, there are a few requirements needed. For a makeup application we will need a "set up" table/work area (we've used window sills) and enough lighting. This can be either with lamps or a window with natural lighting (preferred). If you know you will not have lighting, please let us know ahead of time so that we can bring along lights.*

*This price is per artist, not per service. For example, if you have 2 makeup artists travel on-location to you, then your on-location fee would be \$200.00. More than 5 people will require an additional artist fee. This fee is included in the initial \$500.00 On-location Bridal package.*

*Additional Hours: A flat rate of \$100.00 is charged per hour for a makeup artist to stay. Many brides choose this if it is a very long day and they want to look their best.
