*Frequently
Asked
Questions*

How do we book your services?

To book with Xistence Photography, just send us an email to request a certain date. When signing the contract, a 25% deposit is required to reserve that date. After that, we will keep in touch to make sure we get everything ready for your special day.

Is there a consultation?

All couples receive a pre-event consultation in person or via Skype/Phone call.

Do you cater your packages?

I customize all packages to couples' needs.

Do you photograph destination weddings or weddings outside your immediate area?

Yes! We sure do!

Will you personally be photographing our wedding?

Of course. We can also arrange a second photographer capture more moments from another angle.

Is there a second photographer?

A second photographer is available in the A La Carte option. A second photographer is required for weddings six hours or longer and/or with wedding's of 75+ guests.

How long until I receive my Wedding pictures? And how do I receive them?

There is a 1 month turnaround time in which the photos will be delivered on a usb.

Is tax and travel fee included?

5% Sales Tax is added to all final payments. Travel fees are applied for weddings outside Louisiana.

How many photos do I receive?

I can not predict how many photos you will receive because I haven't photographed your special day. I can assure you that you will receive the best of the best and a moment won't be missed!

Are guests allowed to take photos at the wedding?

To get the best photos during your wedding, a no cell phone policy is asked during the ceremony. Photos during the reception are allowed, but leave that up to me and enjoy your time.

Do you provide Wedding Albums and Prints?

Of course! After you receive your digital images I can turn them into physical prints.
