The Trial: Can be done as close or far from your wedding day as you desire – Raven takes photos and documents your makeup look to ensure your makeup will be replicated on your special day (unless you'd like any changes made). Trial's work great to schedule around another special occasion you have leading up to your special day such as engagement photos or a bridal shower.

The Assistant: Typically Raven will have 1 to 2 artists for makeup and hair so \$150.00 is for brides who want services done in a shorter amount of time she can arrange for a 3rd person to keep the timing shorter.

Relocation Fee: There is a \$50 relocation fee for each artist reserved if we are required to move to a different location to continue our work during the wedding day.

After hours: Raven charges \$100.00 per hour.

Travel: Travel for the wedding day in Ventura County is complimentary. For bridal trials outside of Ventura County, I charge \$20.00 per each hour of travel time.

Reserving Raven (and other artists if applicable): To reserve our time together in advance of your wedding, Raven requires a simple contract to secure the details of your special day. Raven will also work with you to create a schedule for the day-of for herself and the other artists.

Forms of Payment: Raven accepts payments in cash, check, credit cards (via Square) and Venmo.
