

A romantic photograph of a couple embracing on a sandy beach. The woman is wearing a white sleeveless dress and the man is wearing a dark blue shirt and green pants. They are standing in shallow water. The background features several large, weathered trees and a calm body of water under a soft, overcast sky.

WEDDING GUIDE

TWENTY SEVENTEEN AND TWENTY EIGHTEEN

package prices and wedding recommendations

hello

We believe that the greatest work comes
from getting to know the passion and purpose of our clients.

Josh and I would love to meet you and hear your creative hopes and dreams for
your wedding day and make them come alive.

Our photography style is artistic and candid, with an emphasis on natural light.
Our favorite photographs are typically the ones that our clients aren't prepared for.

The honest moments that happen when I step back and watch the beauty of
your relationship unfold before me.

The moment when a mother and father see their girl in her wedding dress.

The moment when a husband sees his bride for the first time.

The way a couple holds each other during their first dance as husband and wife.

We do this by capturing the atmosphere of your wedding day, and the beauty and uniqueness of
your relationship.

We would be honored to photograph your wedding.

engagement sessions

Engagement sessions are my favorite because they set the stage and tone for your wedding day. It is important to me for us to get to know each other, and for you to become familiar with my photography style. I want to know your deepest desires leading up to one of the most important days of your life.

I know getting your picture taken can seem overwhelming or awkward at times- I get it. Please know the pressure is off. No stiff, awkward posing will be involved! Our promise to you is two hours of magic and fun.

Every love story is unique and powerful; we help tell yours by capturing the authenticity of your relationship by asking honest questions to bring out real emotion.

the wedding day

First things first: let's turn all of the expectations **off**.

This is **your wedding**, so do what **you want** to do!

You are **allowed** to.

If **you want** to have a morning breakfast themed wedding with lots of donuts, bacon and chocolate milk on tap- that Sounds delicious.

I vote **yes**.

If **you want** to ditch tuxedos, ditch 'em. If you want to wear a flowy dress **You can** sister!

If you want to go on a photo **adventure** after your ceremony, lets do it! My point is, this is your wedding.

This day is a **celebration** and **reflection** of **your unique relationship**.

A day where your loved ones come together to **honor you** and your love.

So lets **relax**, have **fun**, and dance!
