## WHY ADD-ONS?

While everyone has a different wedding day budget there are some things you can add-on to your wedding video and photography to savor your memories in a unique way. While every couple getting married has a specific budget to work within, some items are considered must have's and other may not be necessary, but if you can work these add-ons to your wedding production, please consider them because they truly enhance the final product. Prices will vary according to clients unique needs.

- Add'l Photographers & Videographers (4k)
- Custom web Page
- Distant Travel
- Hardrive w/ all footage
- Prints & Framing
