Weddings

Destination: Please contact me to receive a personal quote. I am willing to travel anywhere to photograph a wedding or an elopement.

Details: You will have one photographer travelling to photograph your wedding day. The price will include my time, travel fees, and copyrights, a flash drive of your images.

Local Weddings

Cost: \$1,200

Details: Booking is for 8-10 hour coverage of your day from beginning to end. You will have one photographer the entire time, but if you need me for more than 10 hours, a fee of \$100 will be added for every half hour over and \$150 for every hour over. Copyrights are included so you will be able to print, post, and share your wedding images.

Note: If a second photographer is permitted or needed, the cost for a second shooter will be determined during the booking session.
