## CONGRATULATIONS!

You're madly in love and engaged! Now the wedding planning begins and choosing a photographer is one of the most important decisions you will make.

I approach every wedding with the intention of capturing the day in the most genuine and creative ways. My goal is to capture your real personalities and all the little things that make you and your wedding unique and special. My work is deeply inspired by light and color, and these things come together to create a gallery that looks and feels authentic and beautiful.

I am a storyteller at heart and every image invites you to travel back in time to relive your memories with the people who help celebrate your love.

# FREQUENTLY ASKED QUESTIONS

## WHERE ARE YOU BASED?

I live in Santa Barbara, California and my local range includes any location within 150 miles of the following areas:

**Santa Barbara + San Luis Obispo + Bay Area  
Los Angeles + Malibu + Paso Robles**

## HOW MANY PHOTOS WILL I RECEIVE?

I deliver at least 50-75 final images for every hour of coverage. That means an 8-hour wedding will yield 400-600 photos and often **MORE**, depending on the number of guests you invite & photographers you book.

## WHEN WILL MY PHOTOS BE READY?

I will share your photos with you in three stages:

1. A sneak peek of 25-75 photos, including highlights from throughout your entire day, delivered within 1 week of your wedding day.
2. Your full collection, uploaded to an online gallery within 6-8 weeks.
3. Your USB drive, mailed to you with a few other **surprises!**

## WHAT DOES AN A LA CARTE ENGAGEMENT SESSION INCLUDE?

Each 1 hour session includes 50-100 photos, an online gallery, and high-resolution download.

## CAN I MEET YOU BEFORE THE WEDDING?

Absolutely! I love to meet with couples and get to know each other better before the big day. Engagement sessions are also a great way for us to get comfortable shooting together.

## CAN I PRINT MY OWN PHOTOS?

Of course! All packages include a print release, and you are not required to purchase products directly from me. That being said, any artwork ordered through my print store includes complimentary retouching and a 100% satisfaction guarantee. Photos are printed on your choice of archival quality paper types and colors are true to life and printed to perfection. Matting and framing services are done by hand, and made to last. I can also advise on the best ways to print and display your photos so they look their best.

## CAN I BOOK FEWER THAN 8 HOURS?

Yes! I offer specialty pricing for smaller weddings and will happily provide you with a custom quote.

## WHAT HAPPENS IF I BOOK A CERTAIN NUMBER OF HOURS, AND END UP NEEDING MORE ON THE WEDDING DAY?

I would never leave your wedding without checking in with you first to see if you're done with photos. You can always add on additional time for \$450 per hour.

## WHO IS YOUR SECOND PHOTOGRAPHER?

I work with a handful of talented artists whose availability depends on the location and time of year. They are photographers I trust and know their quality of work is similar to mine. I edit my own shots as well as theirs to ensure consistency in your collection.

## WHAT IS YOUR PAYMENT SCHEDULE?

I require a 50% retainer and signed photography contract to officially reserve your wedding date, with the remaining balance due 1 month before the big day. Alternative payment plans are available if needed.

# QUESTIONS?

I'm here to answer any and all questions you have!

After you book, I'm committed to making sure you get the most out of your photos. That includes timeline consultations, location scouting, and helping you stay relaxed and comfortable while shooting together. I can't wait to share these special moments with you!
