The wedding packages listed above are most popular for "all day" wedding coverage.

However, every wedding and event is different. Because of that I offer hourly rates for those who require a bit less time. You'll receive the same level of service and all images are edited and included via download in high resolution. A copyright release is provided to you for printing at a location of your choice. Hourly rates require a 50% deposit to reserve the date.

Wedding and engagement packages as well as the hourly rate option require a 50% non-refundable deposit and a signed contract to reserve your date. Your deposit will be applied to the balance of your package.
