You're Engaged!

Pop the champagne and celebrate! We know that there are so many photographers and we feel so honored that you love our work and have inquired with us.

You wouldn't believe how many couples tell us how nervous they are to get in front of the camera!! Your wedding day is one of the most important days of your life! Making you feel comfortable and looking your best is what we strive for. Shooting an engagement session not only gives you a beautiful set of pictures to cherish but also allows you to experience what your photography will be like on your wedding day.

We love capturing the “in-between” moments, the candid shots that bring out the raw emotions surrounding your special day. These are the moments that make up your story.

what to expect

WE MAKE IT OUR LIFE GOAL TO SHOOT YOUR WEDDING THAT MIRRORS
YOUR EARNEST LOVE.

Your big day is a unique encounter, and there are no words to depict the sensation of bliss that occurs as you make a commitment of your love and dedication to your spouse and celebrate with all the people you love in one room. We love making delightful pictures that you will hang on your wall for generations to come. Each and every wedding we photograph is an opportunity for us to depict your unique love story! No two weddings are something the same, and we love the moments that make your love once in a lifetime!

So what is it like working with us? First, click [here](#) to view a full wedding gallery! Then, you would schedule your first meeting. During this first conversation, we'll discuss details of your wedding, date availability, and our collections. From there, you can decide which of our packages fits your style best. Once you've let us know which package you're most interested in, we'll send you a proposal and contract to sign and pay your initial deposit. Once you've done that, your data is secured!

You would then schedule your engagement and bridal shoot. Before your big day arrives, we'll hop on the phone for about 30 minutes to discuss the details, schedule, and nuances to be aware of before your wedding day. We'll make sure everyone is on the same page to ensure your day runs smoothly! On your wedding day, we will be ready to capture your lifelong love and to party!!

A romantic photograph of a bride and groom kissing. The bride is wearing a white wedding dress, and the groom is in a dark suit. They are standing in front of a light-colored stone building with a large section of the wall covered in lush green ivy. A black lantern-style light fixture is visible on the ivy-covered wall. In the background, there are trees and a cloudy sky. A semi-transparent white box with text is overlaid on the bottom half of the image.

Izzy + Joshua

Reib Photography is amazing!! Not only do they take beautiful pictures, but they are so personable and kind! My fiancé and I got engagement pictures done with them, and Marissa was so amazing at making us feel comfortable and confident! Pictures have always been something my fiancé and I love having, but often feel nervous or not photogenic when taking them. However, Marissa made taking pictures easy, comfortable, and so much fun! Even when we thought we would have to cancel because of bad weather, they did an amazing job communicating and working with our schedule to make it work the day we originally planned on! The Reibs also had an amazing turn around time for our gallery, and every single picture was beautiful! My fiancé, family, friends, and I are absolutely blown away by the pictures! I am so excited to take my bridal portraits and have them shoot our wedding! I really cannot recommend better photographers than the Reibs!

Could not recommend more! They are easy to work with, extremely kind, and patient with those who have a hard time in front of a camera. We could not be happier with our engagement and wedding photos! As a wedding coordinator myself, I was so impressed at how organized and responsive Marissa and Jake are! They made the planning process so easy and helped make the day seamless. We hope to work with them again in the future!
