

## Weddings at Old South Meeting House Fees and Services

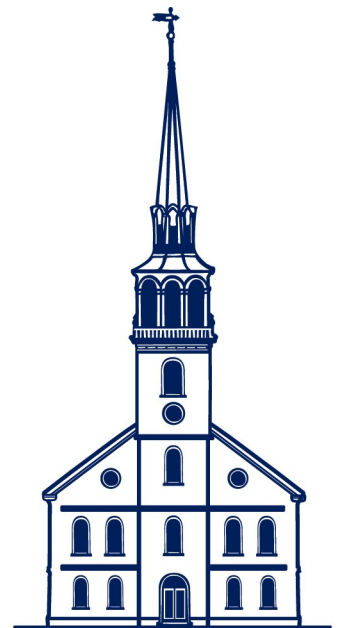

---

All rental fees and services are tailored to your individual needs and typically include use of the building, in-house audio/visual equipment with our AV technician on site, and museum staffing. **Fees for a typical wedding ceremony range between \$2,800 to \$4,100.** A one-hour rehearsal is included with your wedding contract (typically held the evening before the wedding) and is highly recommended. Each wedding ceremony is staffed by an event manager and additional museum assistants. Your event manager will assist with your rehearsal and ceremony to help coordinate your procession, music and other needs.

We offer several optional extras for small additional fees, including:

- ◆ Our antique 1927 Mason Hamlin grand piano available for your pianist;
- ◆ Balcony seating for weddings over 180 guests;
- ◆ Decorative lanterns with LED flameless candles.

We look forward to building a tailored estimate based on your needs and wants. Please email your completed rental application form to [rentals@osmh.org](mailto:rentals@osmh.org) and we will be happy to return a personalized estimate to you.
