

PRICNG

The fee is based on an hourly rate of \$150/ hour.

Ten hours (\$1500) of pre wedding planning is the minimum number of hours in order to be able to properly familiarize ourselves with all of your contracts, create timelines, confirm all details with your vendors...

Below are some popular options:

- If you would like assistance with other aspects of the planning process, such as vendor referrals. I suggest you opt for the twenty hour package which I offer at a discounted rate of \$2800 (\$200 off of the hourly rate).

- If you'd like assistance with other aspects of the planning process the forty hour package may be right for you. That is offered at a discounted rate of \$5400 (\$600 off of the hourly rate).

- If you think you are interested in more comprehensive assistance, my most popular package is my sixty hour package which is offer at a discounted rate of \$7800 (\$1200 off of the hourly rate).

The fee for wedding day coordination is \$200/hour for a coordinator and an assistant to be onsite. The typical day is 10 hours (\$2000).
