MEMORY

Memory is a documentary-length film, with a floating, observational perspective capturing a mix of intimate exchanges, gestures, glances and moments both subtle and profound.

With sound design that weaves in and out between a personalized soundtrack and live-audio recordings, this 30-45 minute sequence gives pace and context to each part of your wedding in a runtime that can be rewatched again and again with your closest friends and family.

Your Highlight Film is a five-minute distillation of *Memory*, and suitable for sharing and viewing with any of your guests or friends on social media. And of course, the one-minute Time Capsule serves as a poetic snapshot of your wedding.
