

Cynthia Curry's Fees for Services

My fee depends on the type of ceremony: fully customized, slightly customized or quick elopement. Other factors are the location, the day and time and if there is a rehearsal or rehearsal coaching.

Elopements within Pierce County are typically \$150.00. This includes a nice ceremony, typically under 10 minutes. The location can be at my home in Puyallup, or we can meet at a park, the waterfront or your home or apartment. We do not meet ahead of time, but will have a conversation over the phone so I can know what to prepare when I write up your ceremony.

Small Ceremonies within the Pierce County area are typically \$200-\$300. These ceremonies are attended by under 30 guests and do not need a rehearsal. We may meet in person ahead of time depending on your desires for your ceremony.

Large, Customized Ceremonies within the Pierce County area typically run \$450-\$550.00. These ceremonies are customized all the way...we will tell your love story as part of the ceremony and may include special readings and rituals. We will meet for an hour or so in person to learn about you as a couple. The ceremony draft will be sent for your approval and editing so you can be sure you will love it! These ceremonies include the rehearsal, cue sheets and I arrive early on the day of the ceremony to coordinate with the DJ, the Photographer and help the Bridal Party to get into place for the Processional. I advise my couples to have a Cue Person if they do not have a Wedding Coordinator.

Travel outside of Pierce County: I may or may not add on travel fee...depending on how close to Pierce County your ceremony is. I do service King, Thurston, Kitsap and Mason Counties...the time of day and the day itself will determine my additional fee, if any.
