CONGRATS!

Congratulations again and so many “yay’s” for this chapter of your life!

A whole lot of starry-eyed happiness and clinking glasses are in store, and I'd absolutely love to be a part of your celebration.

Why I can't wait to document your day

Why am I so excited to be a part of your day? You're planning one of the best parties ever, and it's to celebrate the beginning of the rest of your life with the person you love most.

We'll work together to focus on all the gorgeous, sweet, random, silly, spur-of-the-moment details that make your love story the greatest one that's ever been told. This is your time to bask in the spotlight, feel the love, and dance all day (and night) long.

I'm passionate about people, fine art, and capturing the connections we share.

Maybe it's my background in clinical social work, but I have to credit Gestalt psychologist Kurt Koffka for inspiring my docu-editorial style.

Koffka proposed that **the whole is other than the sum of its parts**, and I'm always struck by how perfectly the theory applies to a wedding day.

A wedding is not *just* about stunning florals, venues, or cakes.

The coming together of the greatest moments (and people) of your life for one stunning day makes each wedding uniquely moving.

For this reason, I do focus on the details of your day, but I specialize in capturing the depth of your connections. (Yes, I absolutely happy-cry at every wedding!)

Your wedding day isn't a photoshoot, and it shouldn't be treated like one.

Your wedding is a celebration of all that's been and is yet to come.

HI, I'M STOKES

kind words

My favorite part about working together was how comfortable she made us feel. Pictures can be awkward, but Stokes made us feel at ease. She always made me feel FABULOUS!

THE PROCESS

aka: how it all works

01

LET'S TALK

A free consultation for you to get a feel for what it'll be like working together. I'm so excited to hear about your wedding plans!

02

CUSTOM PROPOSAL

After we chat about your wedding photography goals, I'll prepare a proposal just for you. While I offer flexible packages, I'm always excited to craft a custom day to your specific requests.

03

IT'S OFFICIAL

Time to lock it in with a deposit and a contract! Then, we'll start planning your engagement session!

04

YOUR ENGAGEMENT SESSION

It's you and the love of your life, and your favorite date night! I'm just there to capture you in your element.

5

05

NAIL THE DETAILS

Two months before your wedding day, we'll form your shot list and photography timeline.

06

WEDDING DAY!

The day is finally here! All your hard work has paid off and now it's time for the biggest and best party ever. It's going to be the best day, full of love, joy, and happy tears.

07

YOU'VE GOT MAIL

Grab some snacks and get cozy because here's the final unveiling. Hop online to view your slide show and gallery, and I'll send your USB and prints in the mail.

a note on packages

Tax is already included in all the pricing listed. No hidden anything here.

There's no limit to the number of photographs you'll receive. You don't have to negotiate and pay more for the moments captured that happen to fall outside of a predetermined limit because, honestly, that seems silly.

You'll get sneak peeks within 24 hours. Delivery of your **full-resolution, hand-edited gallery can be expected between 4 and 8 weeks.** You automatically receive personal print and digital use rights, and your private online gallery will be **available for five years.**

If you've found me, please know I'll be here. I'll be here nine months out when we plan **your engagement session**, four months out to catch up with your amazing vendor team, and two months out to plan your **timeline for the day** and learn each parent, aunt, uncle, and grandparent's name in family groups.

Before you know it, I'll see y'all next at your rehearsal dinner when your best friends from college are making toasts to you two, and you're not sure whether to laugh or cry from happiness because the day is finally here.

On your wedding day, I'll be there early, camera in hand, ready to carry your train, straighten your tie, and check your hair, in addition to carefully photographing all the details you've worked so hard to perfect.

You're going to shine, and it's the greatest honor to meet you at every stage along the way.

PRICE AND INFORMATION GUIDE

The perfect solution to cover multiple locations or big weddings.

SECOND PHOTOGRAPHER

For larger weddings, having a second photographer adds an extra layer of security so that I catch the most important moments in the best light.

A second photographer may be best for your day if:

- You have a large guest list, and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart

- You're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second photographer will act as my wingperson, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish.

Where are you based?

I'm a destination wedding photographer based in Nashville, Tennessee. I love to travel and explore new places to capture love in all its forms.

Do you photograph internationally?

You guessed it! I absolutely adore the chance to photograph destination weddings or elopements. If you're considering a celebration abroad, let's chat about the details.

Do you do LGBTQ+ weddings?

YES! A love story is a love story, and I'm 100% here for it!
No matter who you are or who you love, I am here to help you tell it.

Do you photograph elopements?

If you're considering a private ceremony with just your closest loved ones, I'd be honored to document your special day with a narrative-driven approach. Travel elopement packages start at 4 hours of coverage. Let's connect and discuss your vision!

How many photos will I receive?

You can expect to receive anywhere from 600 to 800 photos, depending on the duration of the session and the events packed into your wedding day!

FAQ

FAQ

How will I receive my photos?

I'll start by sending you a handful of sneak peek shots shortly after your wedding. In about 4 to 6 weeks, you'll receive a link to your online gallery and slide show to relive your special day. You'll also get a beautiful package in the mail with a USB, prints, and a special thank you from me.

How long will it take to receive our photos?

Your final wedding photos are on their way! While it takes a little more time to perfect each image, rest assured that your wedding photos are worth the wait. Expect to receive them within 4 to 6 weeks. During peak season in the Fall, editing takes about 6-8 weeks. If you're in a rush, ask me about the rush add-on option.

17

We don't want our photos on social media

This is your special day and I understand that privacy is important. If you prefer that I do not share your photos on my social media platforms, I will honor that request.

What happens if disaster strikes?

This has never happened, and I hope it never does, but I got you covered. I have a network of talented photographers from all over who are ready to step in and take care of you if needed.

Do you have a payment plan?

Yes, we can arrange payment installments for you. Just let me know if you're interested!

Can I print my photos?

Absolutely! I'd love for you to print your favorites. Plus, we've partnered with Artifact Uprising, the best online print shop, to give you quality goods at a discount.

What if I have to cancel or move my booking?

Life happens! The unexpected is to be expected. The deposit is there to protect my business from cancellations. It's non-refundable, as I have to turn down other bookings to reserve your wedding date. I understand that life can be unpredictable, but I hope you can understand my need for security.

Do you have any vendors you recommend?

If you ever need recommendations for the best wedding vendors in the business, just drop me a line and I'll be happy to help!

"PHENOMENAL PHOTOGRAPHER"

Stokes is so easy to work with! We had a blast during our engagement shoot. She made us feel so comfortable and always made sure we were having fun. 10/10 recommend to anyone.

Emily & Amy

"EVERYTHING WAS GREAT!"

Stokes was great photography pick for our wedding. We felt comfortable with Stokes as our photographer because she encouraged us to be us. She listens to our vision and cares about letting us have fun and live in the moment. I loved how easy it was to be with her. It was so fun to be ourselves; her work quality and flexibility are amazing.

Summer & Lucas

"SHE WANTS YOU TO LOVE YOUR PHOTOS!"

Stokes is great at making the long wedding photos an enjoyable activity! My husband hates taking photos and even he didn't mind them! Stokes even got genuine smiles out of him. She's also easygoing, so if you want to try something different, she's going to work with you. She wants you to love your photos! Our photos came out very natural, beautiful, and professional at the same time.
